Harley Davidson 883 XXL with 14,600 miles on it. Has windshield and saddlebags on it. Bought for my daughter in May and bike is just too big for her. I have put 600 miles on it since May and rode in Smokies on it last weekend. Bike has a clear title. Bike runs and shifts out good. Cell number 931-292-3517 call or text if interested.
